Saving Children's Hearts Together

Together with our partner club from Germany, RC Konstanz-Rheintor, we **had enabled 29 children** from single parent and low-income families with surgical care. Our Rotarian Leonid Lashchenko started the initiative. The total cost of the program was 785,000 euros.

Since 1995, **over 420 Ukrainians** received consultations from German doctors, including Frank Hoffmann and Thomas Sailer from Konstanz.

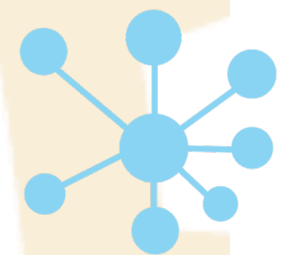

Let's Fight Tuberculosis

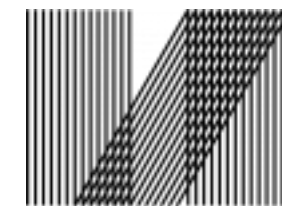

This Rotary program has been running since 2001. We support the regional children's anti-tuberculosis sanatorium "Ruska Polyana" located next to Cherkasy.

In the past, RC "Cherkasy Centre" provided it with **food, medicine and medical equipment** worth over \$25,000; equipped with a **computer class** for 10 seats and helped with printed materials for information dissemination on tuberculosis prevention. Lately, the sanatorium received **new beds** worth over 100,000 UAH and an **X-ray machine** which costs 60,000 EUR.

ПРОМОЛОДЬ

ЧЕРКАСЬКИЙ
ІНСТИТУТ
МІСТА

In November 2014, the club's president of that time Yuri Polishchuk suggested to support a project competition among young people. **30 participants** from Cherkasy and the region went through 5 workshops and competed for a trip to Europe. The trip was organised in partnership with Polish clubs and NGOs.

It was a valuable support to NGO Promolod which transformed into Cherkasy Urban Institute.
